

CANCER INSURANCE

CANCER INSURANCE For All Employees and Dependents

Purpose

Cancer affects 1 in 2 men and 1 in 3 women. Cancer insurance helps you protect yourself and your family's finances from some of the costs of fighting cancer by providing cash to help you manage the high expenses of treatment, protecting your family from financial hardship so you can concentrate on getting well.

Policy Provisions

- * Guaranteed renewable for life, subject to change in premiums by class.
- * Benefits paid directly to you unless assigned to a provider.
- * Benefits are paid IN ADDITION to any other coverage you have.
- * Available as an Employer-paid group benefit
- * Available as a Voluntary Employee-paid benefit.
